DUKE OF EDINBURGH AWARD SCHEME with Mr Culver, Mr Mills and Miss Candy

6th Form

Year 12 students have now successfully completed their Silver Practice expedition. They had a 2 day and 2 night expedition staying in scout hut style accommodation – no luxuries but they did have heating! Students excelled at their navigation and got a taste of the challenges that their 3 day expedition in the Summer will bring. They are continuing to do their weekly volunteering, skill and physical sections as well as periodic expedition training with Miss Candy.

Year 10

Year 10 Silver DofE students have their training sessions published on SatchelOne that will ensure they are prepared for their expeditions in May and June. Students should have published their chosen physical, volunteering and skills sections on eDofE and be working on these each week. I'm looking forward to reading your assessor reports about what you've learnt and the contributions you've made!

Year 9

Year 9 Bronze DofE students have had a successful day walk training session, walking loops to Cudham or Downe. I would like to thank the additional staff for supporting on this cold yet sunny morning as the students put their navigation training into action. They are continuing with their volunteering, physical and skill sections as well as attending the final training sessions that will prepare them for the qualifying expedition in May.

EXTRA-CURRICULAR ACTIVITIES SPRING & Summer TERM 2025

In this leaflet are details of the lunchtime and after-school enrichment activities that will run on weekdays during this term. The purpose of the Enrichment programme is to supplement your academic studies here at Charles Darwin and, above all else, gives you an opportunity to try something new.

Your teachers will lead these activities during lunchtimes and after school.

- ◆ Lunchtime activities are 13.15pm - 13.45 pm unless stated.
- ◆ After school sessions are from 15.00-16.00 pm unless stated.

We suggest all students in Years 7-11 should try to attend at least one activity per week for your own personal development; for the programme to be a success, there needs to be commitment from everyone involved. Once you have chosen an activity you will be expected to attend regularly. You may be directed by your teacher to attend revision sessions offered.

All you need to do is read through the list of activities, check when they are on and go along to a session to see if there are spaces in your chosen activity. Don't worry if the group is full at the moment, it may be offered again later in the year. Some activities (e.g. sport and revision) change termly. The Homework Club can be attended as and when you need it.

If you have a suggestion for a new club or activity, please mention it to your form tutor/Student Voice representative. Remember, you may be able to sign off one of your 99 steps to Building Character and Confidence by attending a new club this term.

Whatever activity you choose we hope you enjoy it.
