

Post results services 2023 GCSE

After getting your results you may wish to check that the mark scheme has been applied accurately or obtain a copy of your paper. If you feel you may want to request a review this decision needs to be discussed carefully with your teachers as your grade could go **down** as well as up. The majority of reviews do not result in increased marks or increased grade. Staff will be available on results days if you wish to request a priority review. If you decide later that you wish a review of results to take place please email your teacher or head of year.

Priority Copies of Scripts:

Priority copies of scripts may be requested in order to support a review of marking. Requests will only be accepted until the deadline:

Deadline 7th September

Priority review of Results:

This service is available for GCSE units for Edexcel only and is a post results review of original marking to ensure the agreed mark scheme has been applied correctly. It is only available if the candidate's place in sixth form/college is dependent on the outcome.

Deadline: 7th September

Review of Results:

This is a post results review of the original marking to ensure that the agreed mark scheme has been applied correctly. **It is not a re-marking of the script** but will include a clerical check. If you want a copy of the reviewed script it must be applied for at the same time and adds to the costs. You must submit a form detailing which paper you want to be reviewed and give your consent, showing that you understand the grade could go down as well as up.

Deadline: Wednesday 27th September

Clerical check:

This is a re-check of all the clerical procedures leading to the issue of a result and will include checks that all parts of the script have been marked, that marks have been recorded correctly and that they have been totalled correctly.

Deadline: Wednesday 27th September

Original scripts

If you are not applying for a re-view of results you may wish to have a copy of your script to help prepare for future exams. Your teachers may also like to use a copy for teaching purposes. You will need to consent to this.

Deadline: Wednesday 27th September

To apply for any of these services please fill in the form, available on results day for priority services, and available from the exams office when term starts for non-priority services. The form must be returned to the exams office along with a cheque (payable to 'Charles Darwin Academy Trust') before the relevant deadline for the service, This can also be set up on Parentpay once term starts. You may also request these services via email to examsofficer@cdarwin.com but must include the following:

For Review of Results 'I give consent to the head of school to submit a clerical re-check or a review of marking for my examination as listed. I understand that the final grade /mark maybe lower than, higher than, or the same as the result which was originally awarded for the subject.

For Access to scripts 'I consent to my scripts for the following subject and unit being accessed by my centre. If my scripts are used in the classroom I do/do not wish anyone to know they are mine'
