## French/English Parallel Texts

FREE! Eight chapters of easy French to read, along with an English translation, so you can check your understanding line by line.

**La surprise** is a 'parallel text'. Each chapter has a text in French, along with an accompanying English translation.

For **A Level German** there is also Slow German – this has many articles about German everyday life and the texts are read out in German and have difficult vocabulary highlighted so that you can hover over the word to find out what it means.

I also get the pupils to do research using this search engine: <https://www.blinde-kuh.de/index.html> to find articles and video clips.
