

Admission Appeal Process for entry 2022/23

The Governors detail below the appeal process to be followed in the event that your child is not offered a place at Charles Darwin School:

Time Limits for lodging the Appeal

Appellants should advise the School of their intention to appeal a decision not to offer their child a place on the first school day within 20 school days from the date of notification of an unsuccessful application.

For appeals in relation to entry into Year 7 in September 2022, appeals must be lodged by Friday 25th March 2022.

For appeals in relation to entry into the Sixth Form in September 2022, which are conditional upon exam results, appeals must be lodged by Tuesday 13th September 2022.

Appeals must be made in writing and sent to the Clerk to the Governors c/o the school.

Time Limits by which the Appeal must be heard

For appeals in relation to entry into Year 7 in September 2022, appeals will be heard **within** 40 school days of 25th March 2022. Where the appeal is lodged late, every effort will be made to ensure that the appeal is heard within 40 school days of 25th March 2022. If this is not possible, your appeal will be heard within 30 school days of the appeal being lodged.

For Sixth Form appeals, the appeal will be heard within 30 school days of confirmation of the exam results in relation to which the offer was conditional. Where there was no such condition to the offer, the appeal will be heard within 40 school days of the deadline for lodging the appeal.

Appeals in relation to in year applications must be heard within 30 school days of the appeal being lodged. In year applications are those made during the course of an academic year and which do not fall within either of the above categories.

Notification of Appeal Hearing Date

Appellants will be notified of the appeal hearing date at least 10 school days before the hearing. At that time the appellant will be provided with details of the School's case, panel, clerk and venue.

Submission of Evidence for the Appeal Hearing

Appellants must provide the Clerk with any additional evidence not provided with the initial appeal at least 7 school days before the hearing or 5 school days after notification of the appeal date whichever is the earlier.

The School and Appellants have the opportunity to submit further evidence and should do so within two school days thereafter. Should the evidence not be available at that time, such as a doctor's letter or information from a third party, it can be produced thereafter or at the hearing itself. However, the Panel is at liberty to delay the hearing if there is not sufficient time to assimilate the information.

The Clerk shall send a copy of the School's case and Appellant's case to the Panel at least 5 days before the hearing.

Decision Letter

The clerk must ensure that the decision letters are sent out within 5 school days of the hearing where practicable.

Please note that the school will adhere to current government guidelines as to whether the appeal meetings will be held face to face or remotely via Zoom.
