Monday to Friday with Mrs Jewell

After School 15.00 - 16.00

Monday to Friday with Mrs Jewell

All year groups welcome

In this leaflet are details of the lunchtime and after-school enrichment activities that will run on weekdays during this term. Year 7-9 students will also take part in SMSC days during the year and towards the end of Summer Term. Those in Year 10 take part in 'Going to Work' days over the same period. The purpose of the Enrichment programme is to supplement your academic studies here at Charles Darwin and, above all else, to try something new.

At Charles Darwin we have an extended day, with activities taking place during lunchtimes and after school.

- ◆ Lunchtime activities are 12.30-13.00 pm unless stated.
- ◆ After school sessions are from 15.00-16.00 pm unless stated.

All students in Years 7-11 should try to attend at least one activity per week; For the programme to be a success there needs to be commitment from everyone involved. Once you have chosen an activity you will be expected to attend regularly. You may be directed by your teacher to attend revision sessions offered.

All you need to do is read through the list of activities, check when they are on and go along to a session to see if there are spaces in your chosen activity. Don't worry if the group is full at the moment, it may be offered again later in the year. Some activities (e.g. sport) change termly. The Homework Club can be attended as and when you need it.

If you have a suggestion for a club or activity, please mention it to your form tutor/Student Voice representative.

Whatever activity you choose we hope you enjoy it.

Mrs Rees
Deputy Headteacher
