After School 15.00 - 16.00	Library	(Independent Study)

Charles Darwin School

Aspire – Endeavour – Achieve

EXTRA-CURRICULAR ACTIVITIES

SPRING TERM 2020

In this leaflet are details of the lunchtime and after-school enrichment activities that will run on weekdays during this term. The purpose of the Enrichment programme is to supplement your academic studies here at Charles Darwin and, above all else, gives you an opportunity to try something new.

Your teachers will lead these activities during lunchtimes and after school.

- ◆ Lunchtime activities are 12.30-13.00 pm unless stated.
- ◆ After school sessions are from 15.00-16.00 pm unless stated.

All students in Years 7-11 should try to attend at least one activity per week; for the programme to be a success, there needs to be commitment from everyone involved. Once you have chosen an activity you will be expected to attend regularly. You may be directed by your teacher to attend revision sessions offered.

All you need to do is read through the list of activities, check when they are on and go along to a session to see if there are spaces in your chosen activity. Don't worry if the group is full at the moment, it may be offered again later in the year. Some activities (e.g. sport and revision) change termly. The Homework Club can be attended as and when you need it.

If you have a suggestion for a new club or activity, please mention it to your form tutor/ Student Voice representative. Remember, you may be able to sign off one of your 99 steps to Building Character and Confidence by attending a new club this term.

Whatever activity you choose we hope you enjoy it.
