

# DARWIN LEISURE CENTRE

Good news! Darwin Leisure Centre is now open. For all our members who have returned, welcome back! For all our members who have just joined, welcome!

We've been working hard to ensure our centre remains a safe environment for all. Cleaning stations are located in all key areas of the gym to make it as easy as possible, however, customers are more than welcome to use their own preferred sanitising products.

6 people using the fitness suite in 45 minute sessions, these slots will be every hour and allow a 15 minute cleaning period before the next session.

Our water fountain & vending machines will be out of use so we encourage our customers to bring their own water. Changing rooms/shower facilities will be unavailable, customers will need to arrive in the correct activewear. Masks can be worn at your own discretion.

**If you want to join Darwin Leisure Centre please call/email to book an induction session with one of our qualified team.**
