To Parents, Carers and Students in Years 11 and 13

Dear Parents, carers and students,

Today we have received some detailed guidance from Ofqual about the grading process for this summer's cancelled GCSE and A level examinations.

Ofqual have written to students, parents and teachers to explain the process by which the final grading will be calculated by the examination boards and a copy of their letter is attached.

As a school we will obviously be guided by the requirements that Ofqual have outlined and we will do our best to ensure that no student is disadvantaged as a consequence of the cancellation of this summer's public examinations.

The letter from the Chief Ofqual regulator is clear and precise, if however you have questions that you wish to raise with me then please do email me on schoolclosure@cdarwin.com and I will do my best to respond.

Yours sincerely,

Sunil Chotai
