

Unit 2: Equality, diversity and rights in health and social care – Summer work for NTs

1. Define the following:
 - Equality
 - Diversity
 - Race
 - Religion
 - Culture
 - Sexual orientation
 - Class
 - Rights
 - Empowerment
 - Independence
 - Inclusion
 - Respect
 - Dignity

2. Create a collage showing as many diverse elements of British society as you can find. You could use images from the internet and make sure you have a printout of the finished work.

3. Select 5 individuals and describe the types of health and/or social needs they may have. (For example – pregnant woman, old person in care)

4. Outline any difficulties they may encounter trying to get these needs met.
