Dear Parent /Carer Guardian

Our Library has a wide variety of fiction titles available for students to borrow covering many genres and suitable for all interests and abilities. Some of these titles are categorised as 'T+' (Teen+), which means they are written for teenage or young adult readership in the range of 14-19 years old. This categorisation is not based on reading ability but on content that teenagers face every day in real life such as language, themes, and issues.

Our T+ titles are clearly labelled with a pink or silver sticker on the spine and are available for all age groups to read and whilst your child is in Years 7 to 9 there are no automatic restrictions on what he/she may borrow from the school library.

However, we respect your right as parents to judge the maturity of your reader. If you do not wish for your child to borrow any young adult titles, please email cdslibrary@CDS.lumero.org so that we can mark their record accordingly.

Kind regards,

Mrs C Waite
Library Supervisor
